Bart and Bill,

To help address a growing number of questions and concerns, DEQ is going to offer a public meeting in Bristow Oklahoma for the Wilcox Oil Company Superfund Site.

The meeting will be held at the Bristow Public Library on January 30th at 6:30pm.

I am currently working on a fact sheet that will contain basic information and contacts for the site.

Monty Elder, DEQ's Risk Communicator will be running the meeting.

Please feel free to attend the meeting.

Thank you.
